

# United Way of Gaston County

## Who We Are, What We Do

Although United Way is a national brand, there are more than 1,300 local, independent United Ways that work in their individual communities - we are:

## United Way of Gaston County

All policy decisions are made locally by our volunteer board of directors made up of local community leaders.

The money raised in Gaston County, stays in Gaston County unless the donor requests that it be sent to another United Way.

Many of us have read the coverage announcing the compensation package for the President of United Way of Central Carolinas which lead to thoughts and concerns about how that affected your United Way. We are separate organizations, both dedicated to serving its own community. Last year one of our major impacts was raising nearly \$3.2 million going towards programs and services that are so needed. We are committed to being good stewards of the dollars you entrust us with and are committed to the causes for which we support.

**THANK YOU** for your support and please continue with us as we strive to make a lasting positive impact in our Gaston County community. We would love to hear from you and are glad to answer any questions and concerns that you may have. Please share your comments with us by calling our office at (704) 864-4554 or emailing [cschultz@unitedwaygaston.org](mailto:cschultz@unitedwaygaston.org).
